

ESTIMATE YOUR 2011-12 UC SAN DIEGO STUDENT BILL

Based on Three Quarters, Full-Time Enrollment for Undergraduate Students

ESTIMATE your expected direct UC San Diego costs taking into account estimated financial aid. Your actual University bill is provided by Student Business Services. For additional information regarding your bill, please see [Student Billing and Payment](#). Your official financial aid award notice is the best indicator of your financial aid eligibility and is subject to change. For additional information regarding financial aid, please see fao.ucsd.edu.

	Cost Per Year	Cost Per Quarter
A. Estimated California Resident Fees <i>Includes an estimated Student Health Insurance Plan of \$930 per year/\$310 per quarter. If you are covered by a private health plan, you may qualify for a waiver and would not be required to pay the \$930 per year/\$310 per quarter. See the Health Fee Waiver tool for details.</i>	\$ 14,164	\$ 4,721
B. Estimated non-resident tuition. If you are a California resident for fee paying purposes, enter \$0 in both columns. <i>If you are not a California Resident for fee paying purposes, enter: \$ 22,878 for "Cost Per Year" \$ 7,626 for "Cost Per Quarter"</i>	\$ _____	\$ _____
C. On-Campus Housing (Room & Meal Plans). If you do not live on-campus, enter \$0 in both columns. <i>Housing costs vary depending on housing type. You may enter the amount if you know the actual cost of <u>your</u> housing, or to use the estimated average, enter: \$ 10,295 for "Costs per Year" \$ 3,431 for "Costs per Quarter"</i>	\$ _____	\$ _____
D. Total Estimated Charges - Add rows A - C.	\$ _____	\$ _____
	Payment Per Year	Payment Per Quarter
E. Gift Aid <i>Review your financial aid awards on TritonLink and total the amount of all grant and scholarship awards. Enter the total amount for "Payment Per Year". Divide the total by 3 and enter this amount for "Payment Per Quarter".</i>	\$ _____	\$ _____
F. Loans <i>Review your financial aid awards on TritonLink and total the amount of any loans you have accepted or plan to accept. Enter the total amount for "Payment Per Year". Divide the amount by 3 and enter this amount for "Payment Per Quarter".</i>	\$ _____	\$ _____
G. Estimated Federal Work-Study *	\$0	\$0
H. Total Estimated Financial Aid Payments – Add rows E and F.	\$ _____	\$ _____
I. Subtract Line H from Line D. If this is a positive amount, this is the estimated amount you will need to pay. Be sure to reduce this amount by any SIR and/or housing deposits you are required to pay. If the amount is \$0 or a negative number (less than \$0), your student bill costs should be covered by financial aid.	\$ _____	\$ _____
Average Orientation Program Fees are <u>not</u> included in the cost estimates above.	New Freshmen: One-Time Charge of \$145 New Transfer Students: One-Time Charge of \$81	
Parking permits are <u>not</u> included in the cost estimates above. Parking permit costs are:	\$549	\$183
Books and Supplies are <u>not</u> included in the cost estimates above. Estimated books/supplies expenses are:	\$1,456	\$485

*Work-Study wages are earned throughout the academic year and are paid directly to the student, and are not credited to the student account.
