Undergraduate Financial Aid Inquiry Form

For Attendance in UCSD Summer Session 2015 as a Pre-matriculated Student

If you have been admitted to UCSD for Fall Quarter, completed your Statement of Intent to Register (SIR), and are considering enrolling in at least 6 academic credits for summer session, we can provide you with information about available financial aid. You are encouraged to contact your UCSD college academic advising office for assistance with which summer courses would best fit your academic plan and major.

In order to evaluate your eligibility for summer session financial aid, please complete and submit by JUNE 30th BOTH this form and your 2014-15 FAFSA (if you are a US Citizen or Eligible Permanent Resident) OR the 2014-15 CA Dream App (if you are an AB540 student not eligible to submit the FAFSA). Submit only ONE application. (Please note that international students are not eligible for Federal or State aid, and thus should not submit a FAFSA or a CA Dream App.) UCSD’s school code for the FAFSA or CA Dream App is 001317. If additional documents are required for financial aid, we will notify you by email.

Upon receipt of your FAFSA or CA Dream App, confirmation of your SIR, and receipt of this inquiry form, we will contact you with an estimate of financial aid for summer session. UCSD communicates with students via email @ucsd.edu, so please monitor your UCSD email box regularly.

Submit this form via FAX 858-534-5459, by mail, or drop off in person (if convenient).

Please note that aid received during summer session as a pre-matriculated student is subject to being repaid if you fail to attend in fall quarter. Additionally, if you fail to complete satisfactory academic progress during summer (completion of at least 6 credits with a minimum cum UC GPA of 2.0), you may not be eligible for fall financial aid.

(If you are attending the SUMMER ACADEMY, please follow the financial aid process described at academy.ucsd.edu, and do not submit this inquiry form.)
